

Introducing Westminster Medical Clinic's Patient Profile Your medical provider would like to get to know you better!

By filling out the Patient Profile®, your medical provider will get a chance to learn more about you. Your medical provider and you will use this information to create and personalize your goals and care plans. Please only share as much information as you are comfortable. If you have any questions about how this information will be used and with whom it will be shared, please don't hesitate to ask. **Thank you!**

Please choose how you would like to complete your Patient Profile® by **circling** one of the options below.
